LTP 500	500	1025	1225	900	130	1,8
LTP 800	800	1025	1225	1160	150	1,8
LTP 1000	1000	1025	1225	1280	165	1,8
LTP 1100	1100	1025	1225	1375	175	1,8

**Additional basic dimensions and volumes on request.*

Environmentally friendly IBC for liquids with optimum space utilization.

Type LTP. The stainless-steel construction guarantees the longest possible service life.

The UCON LTP combines optimum cleaning geometry, best residual emptying and non-permeation. The wear-free design allows long-term reusable use. Thanks to the variety of sizes and the possibility of using different types of stainless steel, the LTP meets all your requirements. Our unerring pursuit of quality and perfection guarantees you maximum safety and durability. Your requirements and our pioneering culture result in customized, innovative products made of stainless steel.
