- Robust transport frame
- Environmentally friendly
- With all standard industrial trucks
- Transportable

Industries:

FOOD | CHEMICALS | PHARMA

IBCs for hazardous powders and bulk materials
Unbeatable service life. UCON, the safe choice.

The UCON BP combines optimum cleaning geometry, best residual emptying and non-permeation. The wear-free design allows long-term reusable use. Thanks to the variety of sizes and the possibility of using different types of stainless steel, the BP meets all your requirements. Our unerring pursuit of quality and perfection guarantees you maximum safety and durability. Your requirements and our pioneering culture result in customized, innovative stainless steel products.
