## **UCON LTP**

Cubic IBC for liquids

### **Vorteile:**

- Specially designed for optimum space utilization.
- Optimum emptying geometry
- Complete emptying
- Easy to clean
- Cost-efficient
- Environmentally friendly
- Unbeatable service life

### **Branchen:**

FOOD | CHEMICALS | COATINGS | PLASTICS

### **Environmentally friendly IBC for liquids with optimum space utilization.**

Type LTP. The stainless steel construction guarantees the longest possible service life.

The UCON LTP combines optimum cleaning geometry, best residual emptying and non-permeation. The wear-free design allows long-term reusable use. Thanks to the variety of sizes and the possibility of using different types of stainless steel, the LTP meets all your requirements. Our unerring pursuit of quality and perfection guarantees you maximum safety and durability. Your requirements and our pioneering culture result in customized, innovative products made of stainless steel.

## Environmentally friendly IBC for liquids

Type LTP. The stainless steel construction guarantees the long lifetime.

### Area of application:

- Transportation and storage of raw materials and products in the chemical, paint, plastics and food industries
- Transportation of hazardous materials in accordance with ADR, RID, IMDG (UN approval)
- Pharmaceutical version on request

### Inhalt:

- 500 - 1100 Liter

### Certifications:

- UN approval
- Conformity according to EC 1935/2004

### Advantages:

- Stacking corners for stacking the containers
- Bars for craning the containers
- Complete emptying of the container thanks to deep-drawn, low dead space base with discharge pocket and directly flange-mounted discharge fitting
- Optimum use of space
- Cost-efficient

### Handling:

- Can be transported with all standard industrial trucks
- Craneable
- Stackable

TYPE	Volumen Liter	Max. External Dimensions			Max. Weight kg	Max. Density kg/l
		Width	Length	Height		
LTP 500	500	1025	1225	900		1,8
LTP 800	800	1025	1225	1160		1,8
LTP 1000	1000	1025	1225	1280		1,8
LTP 1100	1100	1025	1225	1375		1,8

\* Further basic dimensions and volumes on request.
